May Updates

Hello Division 10! My name is Sam Kotter, and I am a junior at Henry Clay High School and have been in Key Club since my sophomore year. I'm still waiting on contact information from clubs, and will be reaching out via email in the immediate future. May is a busy, busy month, so let's get into it!

Contact me with questions or cool things your club is doing!

Monthly Spotlight

Henry Clay and Tates Creek

These two schools in the heart of Lexington have teamed up to sponsor a used book drive! Let's give these clubs a huge round of applause for this initiative!

This month...

Finals are in full swing! I hope that testing is going well for all you dedicated Key Clubbers, and that you're able to juggle all of your activities

As we take our Key Club values into the end of the year, here are a couple ideas to build your community

- **Invite others to study with you, especially those who don't always get invited to socialize outside school**
- **Give someone a compliment: finals are stressful but your words can really make someone's day**

My Plans for the Year

I am so excited to serve my Division and K-T District this year. If you have any ideas, suggestions, etc., don't hesitate to reach out

- Create interclub friendships
  - Additional division meetings held to meet other clubs
  - Establish club partnerships for interclub meetings
- Feature the amazing work of our division's clubs
  - Post monthly spotlights for eminent clubs
  - This relies on **your communication**. Please email me with what your club is working on
- Establish a Division 10 First Generation College Scholarship

Want more members?

- **Consider having an end of year social meeting! Pizza, games, a time to relax from the stressful end-of-year testing!**

- **Make sure you hit the ground running in August! Consider planning the first meetings of next year to be prepared**
