Summer Service

Although school is out, that does not mean service has to end. On the next page, you can find many innovative service ideas for our area.

Some Ideas For Our Area Include:

- Trees For Louisville: Help plant trees and make the area greener!
- Kentucky Humane Society: Complete volunteering opportunities from home or in-person
- Dare To Care: Service opportunities for all ages, experiences, and skills.

For more information on these opportunitys please do not hesitate to contact me on instagram or at jack@ktkey.org.

Club Contacts

In order to make this the most efficient year possible, I need to be able to contact everyone. I would like to get updated club officers' contact information as soon as possible from all the club advisors and the current officers to ensure that I can keep everyone up to date on important Key Club events and projects!

ICON Information

Although the sign-up deadline has passed, Key Club International's annual convention is being held July 4th-11th in Anaheim, California. At ICON, attendees will hear from the keynote speaker Princess Sarah Culberson. Those who are attending the KT district tour will visit many popular locations across sunny Southern California. I can't wait to see everyone there!

Global Leadership Certificate

The Global Leadership Certificate (GLC) is a program offered by Key Club International that aims to build and strengthen various important skills that will assist students throughout high school and in life. GLC offers 39 courses that teach these skills through videos, articles, and reflection questions. I have completed GLC, and I highly recommend it. The skills I have learned have greatly helped me. To learn more, please visit [GLC](#). As always, if you have any questions please don't hesitate to contact me through my email jack@ktkey.org
