# Divisional Officer Training

On September 9th, @2 P.M. I will be hosting Division 12s officer training meeting. This is a great opportunity to meet people in our division. I also plan to have a service project at the training. Check your email for updates as I am still finalizing some details regarding our service project. This event will be held at the South Central Regional Library in Louisville, Kentucky. Please dress business casual, I hope to see you there!

## Fall Rally

On October 21st, we will be hosting our annual Fall Rally at Dollywood.

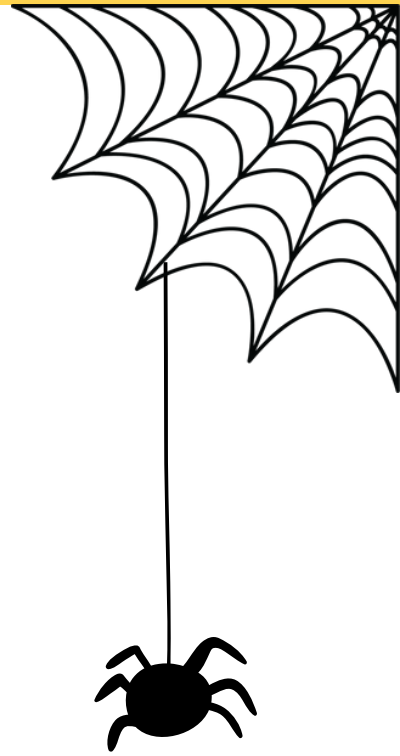

This is a great deal and I highly encourage you to attend. We will be offering a discounted ticket to those who would like to attend. Once a location in the park is announced I will let you know. As always, If you have any questions please don't hesitate to reach out.

# Trick Or Treat For UNICEF

**For over 50 years Trick Or Treat for UNICEF has been the best way to add some to your Halloweening! Join the effort to help kids worldwide survive and thrive.**

## District Convention

---

On March 22-24, we will be hosting our annual District Convention in Franklin, Tennessee! This is a can't-miss experience and I highly recommend that you attend. At DCON, you will hear from our Keynote speaker, elect board members, and complete a service project! I will continue updating you all on information as we get closer.

# Youth Opportunities

## Fund (YOF)

YOF is a grant given out by Key Club International to individual key clubs anywhere from \$250 to \$2000. The fund operates on two cycles first on October 15th and again on March 1st. A key club is only eligible to receive one of these per year. The grant can be used to help fill a need in your community. I will provide more information on requirements and signs ups when the date gets closer. If you would like to learn more now please visit [YOF](#).

## District Project

**Currently, our District Project is to contribute to Ronald McDonald Houses across Kentucky and Tennessee. You and your clubs can help by donating supplies, packing gifts, or even by scheduling an in-person visit. To learn please visit [RMDH Kentuckiana](#).**

## Key Club Week

**Coming up in November is our annual Key Club Week! Key Club Week is a great way to promote key clubs while serving your home, schools, and communities. Once dates are announced I will to to let you all know!**

# Membership Drive

---

**Along with meetings, membership drives are an excellent way to recruit new key club members. Here are a few examples of ways to create a strong membership.**

- **Give a reason why members should join. If they see that Key Club is an excellent way to serve while having fun it may catch their interests.**
- **Give out candy, snacks, etc. at a club fair or on the first day of school.**
- **Create a visual. At club fairs, it is beneficial to create a theme with your table. This allows students to recognize Key club when they see it.**
