## The Man Himself

Hey everyone, I hope you all have had an easy transition from summer to school, I know it's not easy! I plan to have a Divisional Training Meeting before Fall Rally so please reach out to me soon with an Updated Club Officer list.

I would like y'll think about ways to help contribute to our District project, the RMHC, and to think about ways to help your club, The YOF. Dollywood Fall rally is coming up so be sure to let your clubs know, I will be sending out more about that soon. Don't forget Key Club week and your Membership Drive!
