Thirst Project

Thirst Project is a non-profit organization that aims to bring clean waters to communities in need. It works closely with Key Club to raise awareness and funds for this cause. Key Club members like us can make a difference by organizing events and campaigns to support the Thirst Project's mission. Together, we can help provide clean waters to those who need it most! More information could be found on their website (Thirstproject.org).

Spring Rally

Spring Rally will be the last Divisional meeting of the 2023-2024 year. At this meeting we will elect a new Lieutenant Governor, choose our Outstanding Key Clubber, and all the same things we do at regular divisional meetings. Spring Rally will be on February 24th, 1-3 PM at the Bob Kirby Library! I hope to see a lot of you guys there.

District Convention 2024

DCON will be held on March 22nd-24th in Franklin, Tennessee next year! This is the greatest opportunity to meet other Key Club members from our KT district and make new friends! There will be an election of higher officers, different and fun workshops, a speaker, recognition of clubs, talent show, and a really fun dance at the end! More information will be out very soon, so if you're interested, talk to your advisors about it. I hope to see many faces from Division 14!

Not only are we gonna be enjoying the convention, we will also have time to explore and enjoy the city DCON will be held at! Franklin is a very beautiful city, so make sure to come and enjoy what it has to offer as well!
