Farewell!

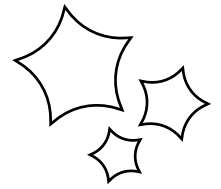

This is my last newsletter and my last time as LTG will be at DCON. I have absolutely loved getting to meet and work with everyone. I wouldn't change anything about it.

I hope everyone continues to serve and will still be the amazing people who I know and love.

Feel free to message me about anything even if it's not Key Club related, as a friend.

At DCON there will be a service project where you can bring in items. Your club can bring donations and drop them off during registration at DCON. Items include:

- Individually wrapped snack items (chips, crackers, cookies, nuts, granola bars, etc.)
- Mini-sized drinks (soda, sports drinks, juice, etc.)
- Small or medium-sized stuffed animals
- Fidget toys (poppits, monkey noodles, stress balls, etc.)
- Travel-size hygiene items

This is not mandatory, but a good end-of-the-year service project to end on a high note!

I am so excited to have tons of fun at DCON with everyone!

ICON

International Convention is in July in Atlanta Georgia. This is much closer to us than it was last year (California), and because of that, it will be cheaper for us to go. It will be between \$800-1,000. The higher end would be due to an extra day, we haven't decided yet. This is just like DCON but much bigger.

Service Project Ideas

- Weekly Grocery Giveaway - FRESH MARKET WALK OF LOVE - EVERY SATURDAY -
