# *Farewell*

It is hard to believe that this is my last newsletter. I want to thank you all for an amazing two years of service. These past two years have been absolutely amazing and I am forever grateful for the opportunity to be the Division 10 Lieutenant Governor. I have made amazing memories, learned so much, and met so many great people. While my Key Club career is almost over, I want to urge you all to keep working to better your homes, schools, and communities! Keep leading! And if you're graduating like me, keep serving others and improving your communities after high school!

I also want to express my gratitude for the district boards from the past two years! I have made lifelong friends and could not imagine my life without them. And the district adults have always been so supportive and helpful! Lastly, thank you, Division 10, for always being so supportive and kind!
