Become
Suspended

About myself

Hi guys! My name is Elizabeth Reh, and I am currently a rising junior at South Warren High School. I will be serving as your 2024-2025 Lieutenant Governor. Some facts about me: I love animals, playing sports, helping my community, and getting involved. I am so excited to be able to work with everyone! I would love to get to know you all, attend your meetings, and support other clubs. Feel free to reach out to me at any point!
