# District convention

Unfortunately, I could not attend DCON, but I got some excellent reviews from my club's President and Members. From their perspective, they said they did activities such as workshops, voting for new delegates, and ideas for projects in the future. They suggest that everyone who can attend should; it's an amazing experience for ALL key clubbers!

# International convention

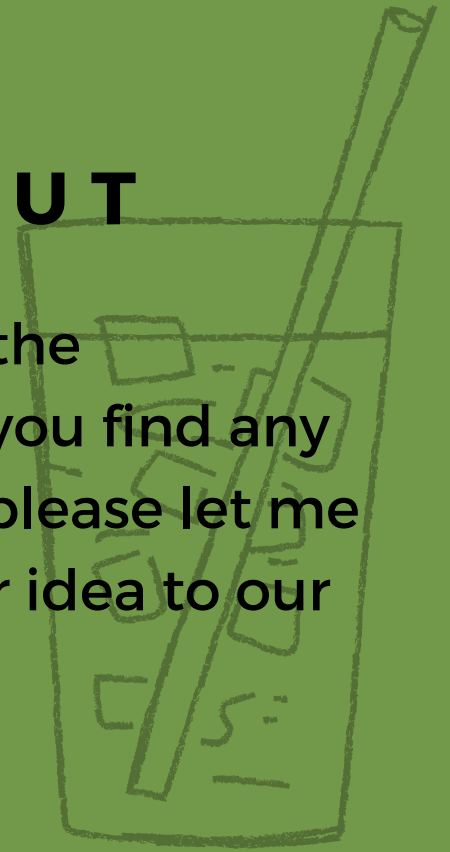

This event is one of the coolest! International Convention (ICON) is a wonderful opportunity to meet people across the world from fellow key clubs. This event takes place in Atlanta, Georgia, and will hold various workshops, officer elections, and the service fair. It is a great week full of new experiences, new friends, education, motivation, and fun!

## **C L U B   C O N T A C T S**

Newsletters are a great way to update everyone in the division about the latest happenings. So for our year to be as efficient as possible, I need to be able to contact everyone. I want to get updated club officers' contact information from all the club advisors and current officers as soon as possible to ensure that I can keep everyone up to date on important Key Club events and projects!
