delinquent

Key Club

ABOUT ME:

Hello, division 12 ! I am Amina Puzhakkarailath. I am currently a Junior at DuPont Manual High school. A fun fact about me is I love biology and meeting new people! I am so excited for our year together.

RECAPS

District Convention Recap

DCON was an amazing chance to meet fellow key club members! Additionally it allowed for members to explore other roles in key club and even participate in a service project. We also went to a variety of workshops teaching and connecting us with key club and its members!

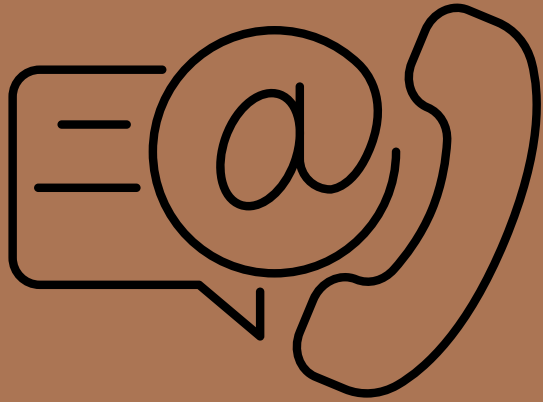

Spring Board

Spring Board allowed for me to continue to connect with our board members, and learn about my role as a key club LTG. Additionally we were able to set up some goals for ourselves and get to know our roles as a committee member within the board as well. This meeting allowed us to come up with goals for the upcoming year and discuss how we want to achieve them. Spring Board gave me a whole new appreciation for key club as well as let me see all the work that goes into making key club as a successful foundation as it is. I hope we are able to inspire as much change as we discussed in the past weekend.,

More Information

Contacting

I want to ensure that we have a very strong connection this year and that means I need club contact information. I believe that getting information to clubs should be through the easiest method possible, and that can only occur through your preferred method of contact being readily available. With that being said, I am asking all current club presidents or advisors to send me the new upcoming officers contact information as well. I can't wait to team up with you in the following year!

International Convention

When:

July 9th- 14th, 2024

Where:

Atlanta, Georgia

**Further information
will be posted on:**

Ktkey.org

Keyclub.org

International Convention is held in Atlanta Georgia this year, and this opportunity gives key clubbers the chance to see all the positive changes key club causes at an international level.

Through workshops and guest speakers, Key clubbers become more passionate and encouraged to keep serving as a community.

It would be so conic if you went to Icon 2024!
