Key Club Year  
Resets and Dues  
are Payable

## About myself

Hi everyone!!! I am Daniel Bridges, the new Lieutenant Governor of Division 4. I currently am a Junior at Loudon Highschool. I can't wait to serve Division 4 and help out all I can! Additionally, I'm excited to train 2024-2025 officers.

# District Convention Recap

I had a great time at my first ever DCON. I was able to sit in, in incredibly helpful new Lieutenant Governor debriefings while other Key Club officers and members were attending workshops that help them better their home clubs. I loved meeting all the students attending and I even made some long-term friendships.

If you are considering going next year PLEASE do it. It is so much more fun than I first realized!!!

## Your Successful Spring Board

I had an awesome time at this past Spring Board for Lieutenant Governors and board officers. The relationships I made with my fellow board members will definitely be one that lasts. The meetings really showed me how to properly conduct my role as LTG and it inspired me to put my all into the job. I cannot wait to meet all the clubs in Division Four and do all I can for them.

# Club Contacts

Newsletters are a great way to update everyone in the division about the latest happenings within the division. So in order for our year to be as efficient as possible, I need to be able to contact everyone. I would like to get updated club officers' contact information as soon as possible from all the club advisors and the current officers to ensure that I can keep everyone up to date on important Key Club events and projects!

# International Convention

Are you considering attending ICON?!?! Whether you are or aren't, I highly recommend your attendance. It is a once in a lifetime experience. There are so many learning opportunities for students and advisors alike. Students will learn how to better their club, be an officer, and they can make the friendships that will last a lifetime. Just remember Key Clubbers, the more people who attend, the better ICON will be for K-T District. Additionally, at ICON there will be free breakfast and lunch foods everyday, two other free meals, and the chance to vote on issues that affect Key Club International and the K-T district. Get in contact if you are interested and want more information about the whole trip.
