MARCELL'S MEMOS

DCON

This year was my first DCON, and I had a lot of fun. The guest speakers were very inspiring, and I met a lot of like-minded people, which gave me a sense of community. Can't wait to go next year!

Spring Board was fun and informative. It was nice to meet the adult board members and hear their stories, which were very inspirational. I also enjoyed meeting my fellow student board members and discussing our goals for this year.

THIRST WALK

For my first division project this year, I hosted a Key Club Walk for the Thirst Project. We raised about 200 dollars. Thanks to everyone who attended! You can find more info about the Thirst Project at thirstproject.org.

KEY CLUB INTERNATIONAL CONVENTION 2024

ICON is in Atlanta, Georgia this year! It will take place during July 10th through 14th. I will put out more information about it soon, but you can also find more info on the Key Club International website (keyclub.org)

KT-KEY WEBSITE FEATURE SHOWCASE

MEETING KITS

If you didn't already know, the KT-Key district has its own website! Our website has many useful features for all of our key clubbers to use, so I will be showcasing some of the features in my newsletters.

If you are unsure what to do for your next key club meeting, the KT Key website has pre-planned meeting kits for you to use or take inspiration from. These can be found in the “Resources - Key Club” tab under “District Resources” on the left side of the webpage. There are a variety of meeting and ice breaker ideas found here.
