MONTHLY MARTINEZ

APRIL 2024

NEW YEAR, SAME LTG

Hello Division 3! I am so excited to be back once again to serve the community with all of you! I hope you had a blast at D-CON and enjoyed it because I know I did! Personally, my favorite part was meeting all of you and even hearing our candidates during caucus sessions! I also had so much fun doing workshops and I hope you enjoyed them as much as I did! It was a great time and I cannot wait to see you all again next year. **However, if you're new my name is Arley Martinez.**

A LITTLE ABOUT ME - I am an 11th grader from Ridgeland High School and have been involved with Key Club all throughout high school. I have served as treasurer and LTG, but I am also involved in Beta and NHS. I play tennis, I love traveling, and my dream pet is a cat who I hope to name Milo.

My Favorite Service Project Memory - Making spaghetti for the Ronald McDonald House, it was a silly memory with so many laughs but it was such a fortunate opportunity to have!

I just wanna begin by saying thank you to everyone who attended D-CON. The event was jam-packed with workshops, guest speakers, and so many other Key Clubbers from the K-T District.

Nevertheless, this is to say that I hope everyone enjoyed the workshops, speakers, and even met at least one new person! I

was so interested in hearing everyone's service ideas as well because I couldn't wait to bring them back to my club (ex.

A hilarious talent show performance

1st District Board!

We had our first district board meeting for the year from the 12th to the 14th and I cannot express how excited I am for the future! We discussed our upcoming plans and goals and how we can best achieve them. The board itself is made of a fantastic group who have made the position even more amazing!

ICON

The 73rd annual International Convention is coming up! It will be in Atlanta, GA from July 9th to the 14th. The theme is “Go for Gold” which is for the time that the 1996 Summer Olympics were held in Atlanta. ICON offers many opportunities such as fantastic and wide-ranged workshops, meeting new people from around world, and even enjoying the different sceneries and activities which Atlanta offers. This is an amazing opportunity so I advise everyone to sign up as soon as possible! More information can be found on the ktkey.org website
