Message from the Editor

Hello KT, my name is Ngaih No. I am an upcoming senior at South Warren High school. I served as the 2023-2024 LTG for division 14. I am so honored to be serving again on the board and I hope to inspire more people. I hope to fix any disconnections between our district and clubs and get news out to as many people as possible! I hope you enjoy my first newsletter and feel free to contact me about anything! I can be contacted as well as the other board members through the website at ktkey.org.

(DIV 8 LTG)

“Our 24-25 KT District Board meeting was held in Knoxville, Tennessee. We learned out specific duties, how to conduct certain procedures, met with our committee members, and most importantly got to know each other! The meeting ran very smoothly and left us all prepared and excited for the year to come!”

New Kiwanis Adults

As you guys may know already, we had some changes in our district with our Kiwanis adults. We would like to welcome and introduce our new Administrator **Kira Wilburn!** We are so sad and thankful to see Steve retire from his position as the administrator but we are so excited to have Kira be our new administrator. We would also like to welcome and introduce our new District Zone Chair, **Madison Branscom!** We are so excited to have you join our amazing family!

District Updates

Clarksville High School Key Club attended Key Leader on April 27th and 28th.

“Key Leader is a weekend long servant leadership camp where students gather to learn about the how to be a Key Leader. The principles of being a Key Leader are personal Integrity, personal growth, respect, building community, and pursuit of excellence. They work in a group project to solve community issues, take risks and practice trust in an obstacle course, build connections with people from all over, and so much more.”

-Aubrey Skernivitz

Franklin County High School Key Club hosted a Teacher Appreciation Luncheon on May 2nd. This is an amazing way to thank teachers and staff this week and let them know their work is noticed and we are grateful for their hard work. Great job FCHS Key Club!

International Convention

International Convention will be held in Atlanta, Georgia on July 9-14th this year and this opportunity gives Key Clubbers the chance to see all the positive changes made through Key Club on an International level. Through Workshops and guest speakers, Key Clubbers become more passionate and encouraged to keep serving as a community. Don't miss out on the fun and opportunities! Sign up at ktkey.org and open new doors at ICON!

Fall Rally

Fall Rally is an event held at Dollywood, Tennessee every year. At this event, Key Clubbers from KT get to meet each other, the DCON theme gets revealed, the district board gives updates about important informations in the district, and Key Club members get to enjoy the park with their friends at a reduced price for tickets. We would love to see many of you guys in October this year!

Summer Activities

Key Club may be a school thing, but service never stops! As a Key Club Member, there is so many opportunities to keep serving our communities. You guys may have really great ideas, but here are a few ideas for you guys.

- Volunteer at a Animal Shelter
- Collect Food for a food pantry
- Clean up a park and pick up trash
- Donate lightly worn clothes to a organization
- Write appreciation cards for nurses
- Get in touch with your Kiwanis Sponsor and see what needs to be done in the community
- Plant trees for the community
- Volunteer to read to senior citizens or children at your local library
- Test your vocabulary skills on [Freerice.com](https://www.freerice.com). The organization will donate 10 grains of rice through the World Food Programme for every answer you get right!

Global Leadership Certificate

“The Global Leadership Certificate, (GLC) is a online program that helps members develop skills such as leadership, communication, activism, and so many more. GLC offers over 30 courses and they can all be completed at your own pace. It offers video courses, different types of engaging activities, and assessments. For more information on how to get started, visit [GLC!](#)”
