May

## *Club Conacts*

Hello, Division 10! I hope everyone is doing well as we come to a close with this school year. To stay in contact this summer and for the following months, I would like to get an updated list of club officers' contact information with names and emails. I need this as soon as possible, so make sure to send this in within the next two weeks. Send your information to [carlie@ktkey.org](mailto:carlie@ktkey.org)

## *End of Year Events*

With the school year coming to a close, club activity can be a bit stagnant. I encourage clubs to harp on end-of-year events to increase club engagement. Finals, for example, provide a great opportunity for clubs to cater their activities around. Senior nights or functions are also easy for Key Clubs to help facilitate. Don't be afraid to

Key Club Week

December 1, 2024  
Annual Dues Become  
Delinquent

February 1st, 2025  
Unpaid Clubs  
Suspended

## *International Convention*

Even though registration is past the deadline, Key clubs across the globe are looking forward to this year's ICON! ICON is a wonderful way to become more connected with Key Club organization. Enjoy workshops and other fun learning experiences this summer July 9th- 14th. ICON takes place in Atlanta, Georgia, which means you will have a free day to attend attractions like Six Flags or Atlanta's malls! For more details, go to [ktkey.org](http://ktkey.org) for registration details.

## *Club Monthly Reports*

I love hearing and reading about all of the wonderful things that Division 10 Key Clubs do. An important task that each Key Club should complete every month is the club monthly reports. This link can be found on the KT-Key website([ktkey.org](http://ktkey.org)) under club resources. This should be completed by the 10th of each month.
