Club Contacts

Newsletters are a great way to update everyone in the division about the latest happenings within the division. So in order for our year to be as efficient as possible, I need to be able to contact everyone. I would like to get updated club officers' contact information as soon as possible from all the club advisors and the current officers to ensure that I can keep everyone up to date on important Key Club events and projects!

International Convention

International convention is right around the corner. All kinds of fun is waiting for those will be attending. I will be attending ICON this year and I cannot wait for the workshops so that I can better myself and improve my job as LTG of Division 4. Additionally, I'm glad I will have the opportunity to experience Atlanta in a way I have never before.

Summer!!!

Summer break is approaching very soon for many Key Clubs in the division. This unfortunately means your Key Clubs won't be able to meet until school starts again in the fall. To uphold the important principles of Key Club International, plan some service projects for this summer at your next Key Club meeting. If you are struggling with creating ideas, go look at Key Club Internationals Website, under resources for inspiration.
