HELLO KT- KEY!

As the school year comes to a close, it is increasingly important for me to have contacts with club sponsors and advisors. After your club holds elections for incoming officers, please contact me with the updated list as well as contact info.

Feel free to reach out if you ever have any questions or need help with your club. Also, let me know when your club is having events or service projects; I would love to come.

UNICEF MAY FUNDRAISERS

UNICEF is hosting a fundraiser for the Zambia initiative throughout the month of May! Their four suggested fundraiser ideas are Read-a-thon, Fitness-a-thon, Talent-a-thon, and Stream-a-thon. You can find more info on the UNICEF website. If you have other fundraising ideas, feel free to use those.

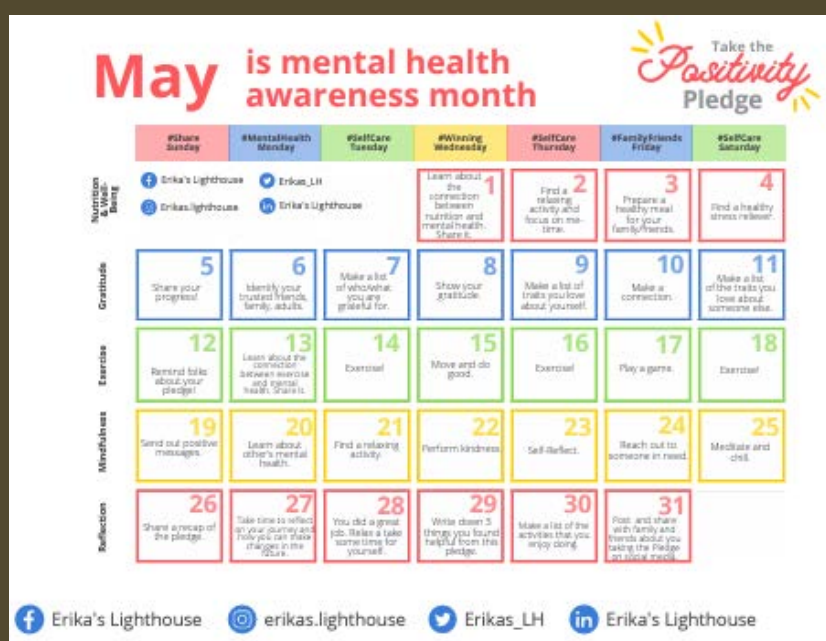

I really enjoyed my first Key Leader this year! It was very informative and inspirational. I met a lot of nice people and got to work as a part of different teams. If you are looking to learn what characteristics shape a leader, as well as gain experience working with others, I highly recommend it.

ERIKA'S LIGHTHOUSE

Erika's Lighthouse created a 31 Day positivity calendar for May, which is mental health awareness month. I encourage you to use this calendar and try to do a little something every day for yourself. Mental health matters!
