SERVICE PROJECT

The Pineville Key-Club partnered with Beta Club

The Kentucky Mountain laurel Festival (KMLF) is a vibrant celebration that's all about tradition, beauty, and community spirit. It's held annually in Pineville, Kentucky, and features a variety of events like a parade, and musical performances, arts and crafts, and the crowning of the Mountain Laurel Queen. It's a tradition to paint circles around the town square that honor KMLF and the theme of the year. Pineville Highschool's Key and Beta Club partnered together to help continue this tradition!
