Club Contacts

Newsletters are a great way to update everyone in the division about the latest happenings within the division. So in order for our year to be as efficient as possible, I need to be able to contact everyone. I would like to get updated club officers' contact information as soon as possible from all the club advisors and the current officers to ensure that I can keep everyone up to date on important Key Club events and projects!

Summer!!!

Summer break is finally here for many Key Clubs in the division. I hope your clubs made some plans for summer break. My club has decided to help out with local summer school kids. Summer will be over before you know it so if you haven't planned any service projects, make sure you push your advisor(s) and officers to plan one.
