Continuing on Contacts

I highly encourage you all to check your emails! I have sent out emails in order to confirm officer and advisor contacts. I will be scheduling officer training before long, so it is crucial that I'm able to contact your club so you can attend!

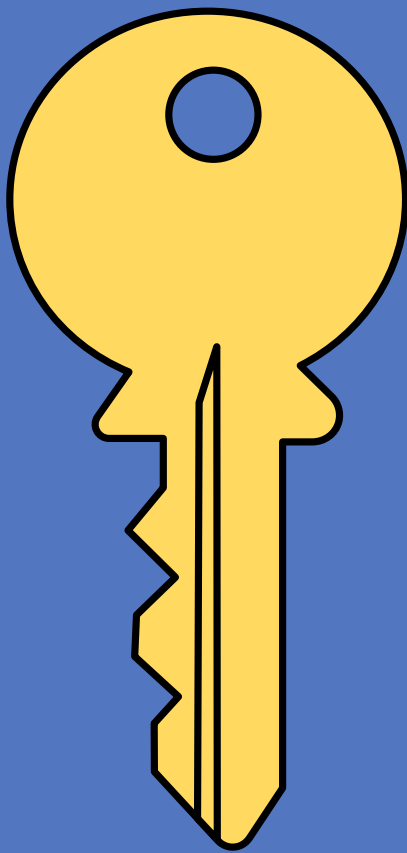

Service Outside The School Year

Although the school year is over, it doesn't mean that there aren't still opportunities to stay active in your service. There are so many ways to help your schools, clubs, and communities this summer, but here are a few ideas:

- Volunteer at a community kitchen
- Donate clothes that you don't wear anymore to an organization, or even organize a used clothing drive
- Volunteer at your local senior center, library, or animal shelter
- Hold a car wash fundraiser and donate profit to a local organization

Incoming ICON

We are getting closer to time for International Convention! Just as a reminder, it will be in **Atlanta, Georgia** this year from **July 9-14**. ICON is a Key Club experience like no other, giving us a chance to travel, vote on international issues, and meet Key Clubbers from around the world!

Staying in Contact

As I've said before, I am hoping to make this a great year for our Division in Key Club! To anyone who has any questions, needs help with anything, or has any ideas, truly do not hesitate to contact me. It is my pleasure to serve you all! I sincerely hope that everyone is having a good summer and enjoying the warm weather.
