Volume 3

HELLO KT- KEY!

Summer is finally here! I hope everyone enjoys their break. If you are a club sponsor, keep an eye out for an email from me about officer contacts. I still need responses from some of our clubs. Feel free to reach out if you ever have any questions or need help with your club. Also, let me know when your club has events or service projects; I would love to come.

SUMMER SERVICE

Although the school year has ended, there are still opportunities to serve your school, community, and world over the summer! You can host a Thirst Walk, volunteer at a local place in need, collect donations, and more.

Remember to send me a list of incoming officers and their contact information once new officers are elected. Try to keep an eye out for my emails (marcell@ktkey.org), since this is how you'll receive information from the district level.
