Trick or Treat for
Unicef

Intro

Hey Division Four Key Clubs. This month has been action packed with key club activities for myself. I attended Summer Board for KT District board members and I attended ICON! Additionally, I'm glad Independence Day celebrations went so well. I hope your clubs have had some service projects completed this summer.

Likewise, I even volunteered at a summer school with my key club.

International Convention

I had an absolutely unforgettable time at ICON 2024! From inspiring workshops to meeting incredible people, every moment was filled with learning, leadership, and fun. It's inspiring to really know that serving is an international effort. Meeting people from across world really changed my perspective of Key Club and the impact we make. This is definitely be an experience I will never forget it!

News!!!

Our delegates worked diligently at ICON. A few minor amendments, international elections, and a dues increase amendment were proposed and elected. I have faith that the new I. board will make Key Club even better this following year. Additionally, all of the amendments did pass; meaning clubs will be impacted with a three dollars dues increase per member. This means the KT District, particularly, dues will be 20 dollars a membe. Do not let this discourage you, howeve. This allows Key Club to continue to offer many benefits to members and continue to remain it's international presence!

Youth Opportunities Fund

Is your club in need of extra funding?

Well if so, the Y.O.F. Grant is a great option to receive that much needed support. Each club that is awarded the grant will gain an additional 250-2000\$!!! Additionally, you can apply for this grant not once, but twice in a year! Increasing your chances of being selected. These funds can be put to any community service project of your choosing.

Dollywood Fall Rally

We may be in the midst of summer but before you know it, fall will be here. That fortunately means the KT district will be having its Fall Rally, which just so happens to take place at the favorited Dollywood. Keep your dates set for October, 19th. This Fall Rally is always so much fun to attend. In the morning, all of the attendees will meet the KT district board in a meeting space at Dollywood. After that, it is left to the members to enjoy their time at Dollywood riding all of the rides and enjoying all of the food. I can't wait to see you there!
