Youth Opportunities Fund

Is your club in need of extra funding?

Well if so, the Y.O.F. Grant is a great option to receive that much needed support. Each club that is awarded the grant will gain an additional \$250-\$2000!! Additionally, you can apply for this grant not once, but twice in a year! Increasing your chances of being selected. These funds can be put to any community service project of your choosing.

Dollywood Fall Rally

We may be in the midst of summer but before you know it, fall will be here. That fortunately means the KT district will be having its Fall Rally, which just so happens to take place at the favorited Dollywood. Keep your dates set for October, 19th. This Fall Rally is always so much fun to attend. In the morning, all of the attendees will meet the KT district board in a meeting space at Dollywood. After that, it is left to the members to enjoy their time at Dollywood riding all of the rides and enjoying all of the food. I can't wait to see you there!

District Convention

Are you ready for DCON? In case you are not familiar, DCON is a district convention held in each district of Key Club. It is an event that all the clubs in the district are welcome to. It will be held at the Embassy Suites of next year. Also, there are workshops to make attendees better leaders and benefit them in the best way possible. Every year there is a huge theme and this year's is absolutely the best by far!

Key Club Week

Show your school the true Key Club spirit and identity with Key Club Week, SERVICE. Key Club week is recommended to be Nov. 4-8 in which you promote Key Club to homes, schools, and communities by Each day of that week, your club does a different service project. The themes: Show your K in every way, Kudos to the Key Players, Dare to Care, Random Acts of Kindness, and Connect the K's!

Trick or Treat for Unicef

Unicef is a United Nations Children's fund and is responsible for providing humanitarian and developmental aid to children world wide. Key Club has partnered with them since 1994 and the main focus in the partnership is Start Strong: Zambia. Start Strong: Zambia provides educational materials to youth and builds schools in Zambia. It is crucial that Key Clubs across the World raise money to help fund this program. One way we execute that is through creating a project in October that clubs receive donations at Trick or Treating Locations. Please talk to your club about planning a fundraising event for this.

Dues Payment

It is that time of year when Key Club International starts the new service year. This means clubs must start paying dues so that they can remain apart of this organization. These dues are first payable in the month of October. If you pay your dues this early you will be presented an award. Everyone likes awards right? This is the Early Bird Award which can give your club a shout out at DCON and even ICON.

Meet the Board

Join us on September 26th at @8:00 pm EST/7:00 pm CST to meet your K-T District Board! At the meeting, you will hear from the District Board, our International Trustee, and get a hint of our 2025 DCON theme!
