Message from the Editor

Hello KT, I am Ngaih. I hope everyone had a fun, service filled summer. Now that we are all back in school and with our home club, I hope KT will continue to have a year full of service. There were a lot of good things that happened this summer so this newsletter will cover all of it.

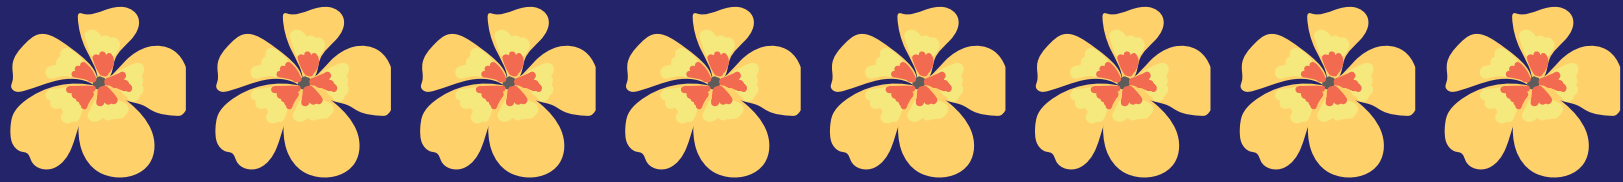

I hope you all enjoy reading and if you guys have any questions or concerns, please feel free to contact me, as well as the other board members through the website!

Fall Rally

Fall Rally is an event held at Dollywood, Tennessee every year. At this event, Key Clubbers from KT get to meet each other, the DCON theme gets revealed, the district board gives updates about important informations in the district, and Key Club members get to enjoy the park with their friends at a reduced price for tickets. We would love to see many of you guys this year, on October 19th! Anyone is able to register through the website at Ktkey.org! Purchasing and registering as a school is preferred, however is not required.

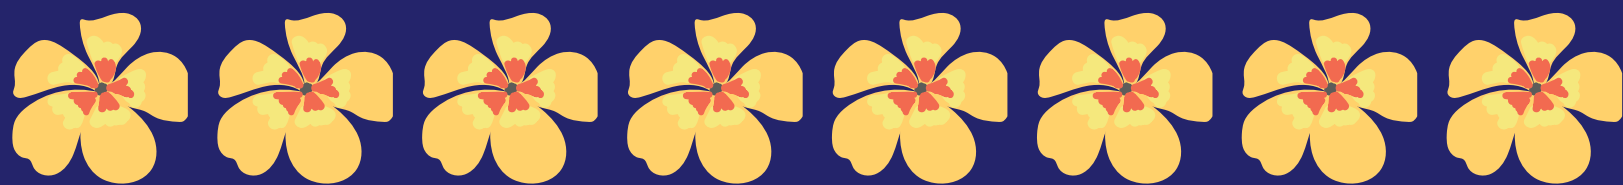

Youth Opportunity Funds

The Youth Opportunity Fund is a great way for clubs to get the money they need for service projects. YOF has two cycles, a Fall and Spring cycle. We encourage all clubs in our district to apply for this amazing opportunity. Clubs can get from \$250-\$2,000 for their club. However, clubs may only apply ONCE each year.

Applications for this year's Fall Cycle must be submitted by October 15th. There are some requirements clubs have to meet before applying, so please check for those on the keyclub.org/youthopportunityfunds and use the same website to apply as well! Again, if there are any questions about this, please reach out to one of the board members through Ktkey.org.

Club Dues

If you are not yet aware, at this past ICON, International increased club dues to \$10 during House of Delegates. This means that our District dues will also now be \$10. With this being said, clubs now owe the District and International \$20.

Dues are payable October 1st. If there are any questions about the dues, feel free to contact our District Treasurer or ask your advisor about it.

Jody :)

Our super cool treasurer can be contacted through the website or on the District Treasurer instagram ([ktkeyclubtreasurer](#)).

Monthly Reports

Monthly reports, also known as Secretary Report, is a quick and simple form that each club is to fill out every month. This report is to keep up with clubs service projects and achievements. Filling this out every month will give clubs opportunities for awards and recognition as well!

Trick or Treat for UNICEF

As key Clubbers, we thrive to help anyone and everyone, no matter where they are or who they are and one way we do that is by participating in Trick or Treat for UNICEF. This year, Key Club International has set a goal to raise \$150,000 to go to help give young kids in Zambia a better life! We strongly encourage clubs to participate in this amazing opportunity to help others by fundraising and doing a bake sale or a movie night, or by going trick or treating and explaining to your neighbors that any donation will help give kids in Zambia the life they deserve. For more ideas and more information, clubs may contact Allison, our District Historian, who is also our very own 2024-2025 UNICEF Champion. Clubs may also go on www.keyclub.org/trick-or-treat-unicef/ for an in depth information on how to get started. We hope to see our District participate in this!

Historian Allison can

Key Club Week

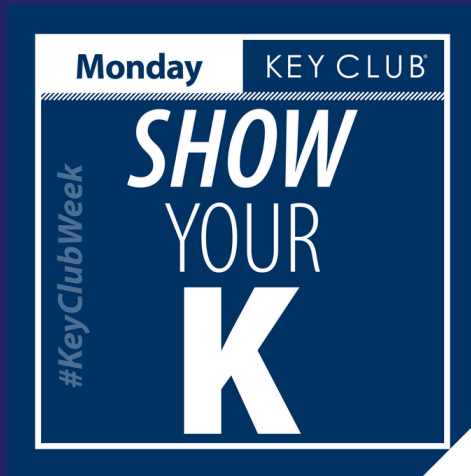

Key Club Week gives you the opportunity to show your community what Key Club is truly about: service. Each day places an emphasis on service, to promote Key Club within our homes, schools and communities and to make Key Club a household name.

-Key Club International

This year, Key Club week is gonna be November 4th-8th and we encourage KT participate this year and tag [ktkeyclub](#) to be featured on our instagram! Ideas on how to participate is available on keyclub.org/keyclubweek.

Key Club Week

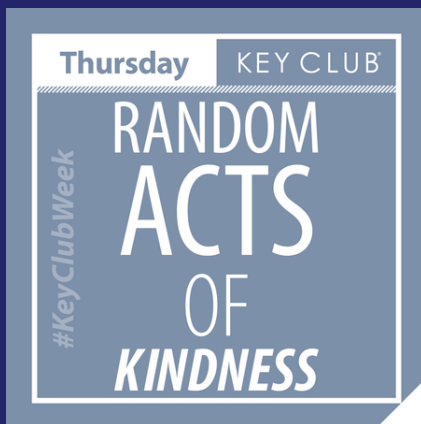

Show people what Key Club is all about! Spread the word by wearing Key Club gear and publicizing Key Club Week in local stores, your school, or even just by going out to run errands that day.

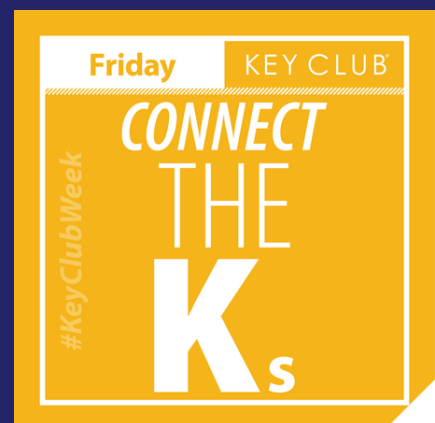

Show people what Key Club is all about! Tell people why you love Key Club! This is the perfect day to show off how awesome and inclusive Key Club is, and why it matters so much to your school and community. Ask a friend to come along to a service project or meeting!

Celebrate diversity and equity with the Key Club family. We have members across the globe, and we want to spotlight you! Check out the [GIPHY stickers](#) on keyclub.org you can use on your Instagram story to share to show what makes you and your club shine.

A smile goes a long way. Spread happiness throughout your school by implementing little random acts of kindness, such as leaving cards with inspirational messages on every student's locker or just simply holding the door for someone else.

Key Club is the largest high school service organization in the world and is a member of the Kiwanis family. Celebrate the entire family of Kiwanis by getting the whole gang involved!
