

LIZ'S LETTER

FEBRUARY

LIEUTENIENT GOVERNOR - ELIZABETH REH

February Newsletter

February is here, and we're already halfway through the service year! If your club still hasn't paid dues, don't worry, but make sure to get it done soon—clubs that don't pay by the end of February will stay delinquent. Let me know if you need help with the payment process!

At the rally, we'll be voting for the new Lieutenant Governor. If you're interested in running, now's the time to check out the election process. Feel free to reach out if you have any questions!

This year is a big deal—Key Club is celebrating its 100th anniversary! To celebrate, all suspended clubs can reactivate for free. This is a great chance to get more people involved and make this year awesome.

If you notice any glitches or issues on the Key Club website, just let me know so we can fix them right away.

As always, feel free to reach out if you have any questions, ideas, or just want to chat. Let's make this year the best one yet!
