# District Convention

Are you ready for DCON? I know its super early but there's never a time like now. In case you are unfamiliar, DCON is a district convention held in each district of Key Club. It will be held at the Embassy Suites in Lexington, Kentucky next year. Also, there are workshops to make attendees better leaders and benefit them in the best way possible. Every year there is a huge theme and this years is absolutely the best by far!

What do you think it is?

# International Convention ICON

ICON (International Convention) will be held in Orlando, Florida this year. It will be an exciting trip with Disney World so close and it being a huge centennial celebration for the 100 years of Key Club International. Be on the look out for more information about attending and how to sign up.

## Club Office Elections

Key Club procedures call for club officer elections in February each year. This timing allows new officers to work with retiring officers during the remainder of the school year. For the 2025-2026 term, Key Club International recommends holding elections in February 2025, but no later than the end of the 2024-2025 school year. This schedule ensures a smooth transition and adequate training for incoming officers.
