Farewell

THANK YOU! This year has been spectacular and having the opportunity to be your Lieutenant Governor has been such a high honor. I hope to see all of you one last time at DCON and will miss serving you all! I may no longer be your LTG but I will always be someone here for you and will always help you if you need it! Noah is going to do a spectacular job and you all are in great hands!

Thank you Division 7 for giving me the opportunity of a lifetime, catch you on the flip side.

Yours Truly,

Cooper Chinault *ktdiv7*
