District Convention Recap

DCON was a great success this year! The theme was "Saddle up for Service," and included inspirational talks, workshops, a talent show, and more! If you missed out this year, do not worry, as next year's DCON will be just as great, if not better. We will send more information out closer to the spring of next year. If you have any questions, feel free to reach out!

Successful Spring Board

This month, all new lieutenant governors attended their first of three board meetings. Here we learned how to properly complete our roles as LTG's and how to best serve YOU (our clubs). If you are a Key Club advisor or an officer for a club in Division 2, please email me! I would love to get to know you guys and help you to the best of my abilities! Find my contact information on page 1!

Club Contacts

Newsletters are a great way to update everyone in the division about the latest happenings within the division. So, in order for our year to be as efficient as possible, I need to be able to contact everyone. I would like to get updated club officers' contact information as soon as possible from all the club advisors and the current officers to ensure that I can keep everyone up to date on important Key Club events and projects!

International Convention

This year's registration for ICON in Orlando, Florida, is now open! ICON is an International event with workshops, inspirational speakers, pin trading and more! Plus, it is very close to Disney World and Universal. If you are interested in attending, make sure to sign up as soon as possible, as we only have 50 spots available.

Additionally, the deadline to register is May 1st, 2025. Don't miss this exciting opportunity! If you have any questions, feel free to email me or go to ktkey.org.
