District Convention Recap

We had so much fun at the KT District Convention this year! It was such an extraordinary opportunity to make new friends and meet the other board members I will be working with this year. There were plenty of amazing workshops available throughout the weekend to learn something new, whether about KeyClub, officer duties, or even line dancing! Plus, getting to explore Lexington was a wonderful experience I won't soon forget!

Successful Spring Board

Our first board meeting this year was Spring Board up in Gatlinburg TN. Getting to stay in a cabin with everyone on the board was so much fun, and I can't wait for future board meetings! As well as being loads of fun, our meetings over the weekend were also very productive. We learned about parliamentary procedures using trail mix (compliments of Kira), learned about and organized our committees, and set our goals for the year.

Club Contacts

Newsletters are a great way to update everyone in the division about the latest happenings within the division. So in order for our year to be as efficient as possible, I need to be able to contact everyone. I would like to get updated club officers' contact information as soon as possible from all the club advisors and the current officers to ensure that I can keep everyone up to date on important Key Club events and projects!

International Convention

International Convention this summer will be held in Orlando Florida where we will be celebrating 100 years of Key Club International! The KT District Tour will be June 29-July 7, but registration must be completed as soon as possible as there are only 50 seats available! Included in the tour price is 2 days at Disney World Magic Kingdom, chaperones, convention registration fee, transportation, 8 nights hotel accommodations (Hilton Orlando Buena Vista Palace Disney Springs Area), all convention and tour activities, and light breakfast and lunch foods and snacks.
