DCON Wrapped

In March, the KT district held its annual District Convention in Lexington, Kentucky. We had fun attending workshops, meeting new people, and exploring what it means to be in Key Club. We also recognized clubs for all the fantastic work they do with some awards, which a few clubs in our division won. We were lucky to have some incredible guest speakers like past LTG and Governors.

Successful Spring Board

On April 4-6, we held our first board meeting, during which we learned more about each other and how the board operates, set our goals for the year, and welcomed Tammy Truong, our newly appointed district Bulletin Editor, and Myah Hamilton, our district Historian. We also played lots of *Murder in the Dark*. RIP to all those lost.

Club Contacts

Newsletters are a great way to update everyone in the division about the latest happenings within the division. So in order for our year to be as efficient as possible, I need to be able to contact everyone. I would like to get updated club officers' contact information as soon as possible from all the club advisors and the current officers to ensure that I can keep everyone up to date on important Key Club events and projects!
