NOTES W/ NOAH

Division 7

Volume 2

What has been going on...

This past month I had a great time at several events in the Division.

I started off by attending the Elizabethton Kiwanis meeting with our District Secretary, Regan Seeger. While there we also got the chance to catch up with Kiwanis K-T Governor Clarie Crouch.

My home Kiwanis Club held their annual Pancake Breakfast Fundraiser. I was honored to get the chance to attend such an amazing event.

End of the Year

The end of the year is here! With that in mind, please ensure that you stay connected with your club this summer. I can not wait to see all of the amazing things you all do this summer.

Club Contacts

I hope that everyone has held their officer elections. If you are a club officer, please send me your contact information. My goal is to arrange a division meeting this summer. I would like to also to begin my monthly meetings with our Presidents. Communication is key to us having a strong division.

International Convention

Internatinol Convention is just right around the corner. I hope that you were able to get a spot on the K-T District tour. Do not forget that you final payment for the tour is due on May 26. See you in Orlando!
