District
Convention

Hey y'all!

With the school year coming to a close, I encourage you guys to participate in some last-minute service projects with your clubs! I wish a happy graduation to all of the seniors and a happy summer to everyone!

Contact Information

I would love to be able to contact my board members across the division to start service projects and meetings!

ICON: Even though the deadline has passed, I would still like to tell you about ICON! The District Tour Bus will be leaving on the 29th of June, and we will be exploring everything Orlando's Key Clubs have to offer! I am so excited to expand our District's connections with Key Clubs everywhere and learn how to serve you all to the best of my abilities.

Summer Activities

This summer is the perfect chance to get out and help your communities. There are many things you can do not only to help the people around you, but also to make your summer more enjoyable!

Some activities include:

- Helping with your local animal shelters ~ walking dogs on a nice day can benefit the health of both you and the puppy.
- Planting flowers
- Lemonade stand
- Cleaning up your local park
