Hello K-T Key Club District!

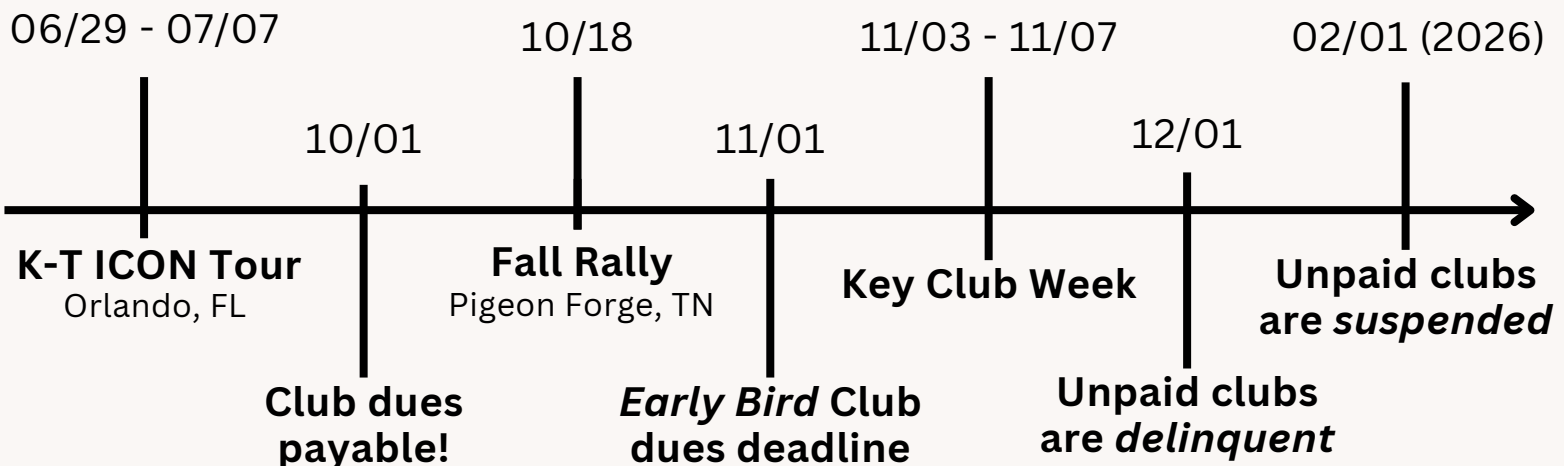

My name is Addi Rice, 2025-2026 K-T District Treasurer. I'm a rising Senior at duPont Manual High School going on my second year of being treasurer for the Manual Key Club. The role of treasurer is one I have developed a passion for over the past year, and I hope to bring my experience and enthusiasm to the District level during my term. Thank you for giving me the opportunity to give back to the Key Club- let's work together to improve our communities across the K-T District!

There is still time! If your club has not submitted dues yet, please do so before September 30th and avoid having to *reactivate* completely. Remember: you only need one member and a faculty advisor to remain a club!

District Convention

*March 2025
Lexington, KY*

DCON was a massive success! The first I've been able to attend, the 2025 Key Club District Convention is a major highlight of my year. With the "Saddle Up for Service" theme, our 2024-25 District Board absolutely crushed it, setting a high bar for the 2026 DCON! It was my honor to speak to and answer the questions of my fellow Key Clubbers, and I am honored that I was elected for District Treasurer.

During Spring Board, your K-T District Board met officially for the first time to get to know one another and discuss our plans for the future of Key Club! It was a pleasure to meet the incredible Division Lieutenant Governors and my fellow Executive Board members. Your 2025 K-T Board has my full faith, and I look forward to a fantastic year of working with some incredible people!

Spring Board Meeting

*April 2025
Gatlinburg, TN*

Fundraising

WHY DO WE FUNDRAISE?

Fundraising can support many initiatives!

Reach out to me for personalized help designing a fundraiser for your Key Club!

- Raise money for a nonprofit or specific cause, ie. UNICEF
- Sponsor members/subsidize the cost for your Key Clubbers to attend Fall Rally/DCON
- Club funds can help create events later down the line, ie. Key Club promotional party

HOW CAN I FUNDRAISE?

With the support of your Key Club, anything is possible!

- Ask Key Club members to bring in board games/gaming consoles (ie. Nintendo Switch)
- *Get the community involved:* outreach locally and charge a small fee for entry tickets to raise money
- *Additional opportunities:* Set up game tournaments with entry fees or sell concessions at your Game Night!

Ask Key Club members to bring in bakery items (ie. muffins, cookies, etc.)

Sell baked goods before/after school or during lunch, or find an opportunity in the community

Ensure you have full permission from your school and are in line with all health guidelines! Be aware of allergens.
