

June News letter

Keeping up with Kyle vol. 3

Summer!!!!

I hope everyone's summer is going well. Even though school is no longer in session and clubs aren't meeting, if you are an officer, you can start planning for next year to help you be more prepared come fall.

At the end of this month, the K-T District tour for this year's International Convention (ICON) will begin in Orlando, Florida. On the second page of this newsletter, you can find the current tentative schedule for ICON. I will keep you all updated as we receive a more detailed schedule of events. Please feel free to contact me with any questions you may have

Club Contacts

Newsletters are a great way to keep everyone in the division updated about the latest developments within the division. So, in order for our year to be as efficient as possible, I need to be able to contact everyone. I would like to obtain updated contact information for the club officers as soon as possible from all club advisors and the current officers, to ensure that I can keep everyone informed about important Key Club events and projects.
