MAY REVIEW

As school came to a close I had the chance to visit our K-T District Secretary, Reagan Seeger, and her club, the Dobyys Bennett Club. The Dobyys Bennett Key Club celebrated their year and installed their new officer team. I can't wait to see what the club does over the course of the next year. Thank You Dobyys Bennett for hosting me!

Quick Note...

I can't wait to see everyone at ICON in Orlando later this month
