Events**

Happy Summer, Everyone!

Even though school is on a break, service is in full swing! Summer is the perfect opportunity to reach places we can't during school, and I urge you to take full advantage of this! I hope everyone is enjoying the warm weather and making many memories!

Olivia Phillips

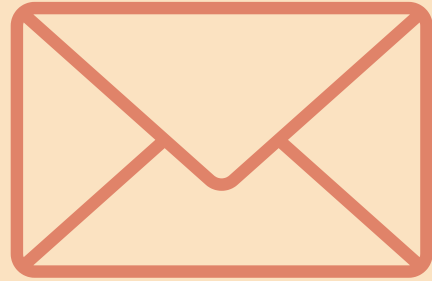

Contact Information

In order to plan and have our District 8 meeting, I need as many contacts as I can get from my club officers. There are still a few officers who haven't sent me their contact information. Please send me an email or dm on instagram.

June is National Safety Month

Each week throughout June National Safety Month gives us an opportunity to make a difference in our home, work, and community by reinforcing the importance of safety.

Make First Aid Kits to Share

Remind friends and families to check their smoke alarms

Take a CPR course
