Attention Summer Students

This beach looks nice, doesn't it? Well, while you're enjoying your well-earned summer break, be it within a verdant resort, on a family road trip, or simply enjoying from your own home, take a moment to think how you can serve others. After all, Key Club isn't just a resume builder-- it's a way to help others. Get out there and go serve!

For Key Clubbers

Summer break is an exciting time! I said it in my intro, and I'll say it again-- with all this free time, see how you can serve others! Here are some examples

- Mow a neighbors lawn
 - Offer to pick some weeds or walk their dog. Asking is an opportunity to meet your neighbors and show them that you care about them
- Serve with an organization
 - If you have consistent free time, look online for organizations to serve. Within Lexington, lexhelps.org is a fantastic resource, and if you need help outside of Lexington, contact me!

For Key Club Leaders

Summer might feel endless, but school is only

63 days

1512 hours

0.17 years

9 weeks

90,720 minutes

away!

Coordinate with other members and leaders of your club to have a plan when school starts
