Summer Activities

Summer is a great time to help those in need, so I've compiled some activities you can do this summer to help your local communities and events you can help volunteer in the month of June!

- Volunteer at the Kentuckiana Pride Festival
- Louisville Pride 5k run/walk
- Lexington Pride Festival
- Visit local libraries and Americana World Community Center tutoring immigrant students and help adults with learning English.
- Sign up for Next Gen Men's newsletter, *The Future of Masculinity*, which discusses and educates about gender and masculinity to boys and men.

Division Meeting

Division meetings are an effective way to set up goals and ideas. I plan to set up a division meeting sometime during August before school starts to answer questions and take any suggestions. Presidents of clubs, advisors, Kiwanians, etc, are encouraged to join as well. The meeting will be discussed more in detail in the August newsletter!

Club Contacts

Newsletters are a great way to update everyone in the division about the latest happenings within the division. So in order for our year to be as efficient as possible, I need to be able to contact everyone. I would like to get updated club officers' contact information as soon as possible from all the club advisors and the current officers to ensure that I can keep everyone up to date on important Key Club events and projects!
