Summer is finally here!

After a year of hard work, you've earned some well-deserved rest. Take time to relax and recharge, but don't forget that summer is also a great chance to stay productive.

Use this time wisely—you've got so much potential to unlock!

Just to mix things up and fill the pages, I'll be sharing a new favorite quote each month!

## Quote of the Month

"Be a pineapple:  
stand tall, wear a  
crown, and be sweet  
on the inside."

-Katherine Gaskin

# STAY PRODUCTIVE THIS SUMMER!

As I've said, it's important to stay productive in the summer. I've been catching up on books and just landed a job!

Here are some fun ideas:

- VOLUNTEER AT A LIBRARY OR ANIMAL SHELTER
- START A SMALL GARDEN
- TRY A NEW HOBBY LIKE PAINTING
- CREATE A SUMMER PLAYLIST
- EXPLORE LOCAL MUSEUMS OR OUTDOOR TRAILS
- PLAN YOUR GOALS FOR THE UPCOMING SCHOOL YEAR
- TAKE FREE COLLEGE COURSES ONLINE
- READ BOOKS!

**I'm still gathering officer contacts!**

If your club has already held elections, please send me the **names and personal email addresses** of your new officers as soon as possible so I can keep everyone connected and informed.

If your club hasn't held elections yet, please plan to do so soon and let me know your expected timeline.
