The students are sitting on a patterned carpet, some are packing care packages, and others are posing for photos. The collage is decorated with torn paper, flowers, and a blue ribbon. The text 'DISTRICT CONVENTION REPORT' is prominently displayed at the top left. A text box on the right describes the service project: 'For this year's DCON Service Project we partnered with Ronald McDonald House in Lexington to pack hundreds of care packages for local guest!'. The number '04' is in the bottom left corner.

SPRING BOARD RECAP

We had our District Board meeting in Gatlinburg, TN. We spent time going over duties and committees to be able to make this year the best it can be. Most importantly though we built bonds with each other! This set us up to be prepared to make K-T great this year.

INTERNATIONAL CONVENTION

ICON will be held in Orlando, Florida from June 29th - July 7th to celebrate a century of service. The K-T District Tour gives Key Clubbers opportunities to meet Key Clubbers all around the world, go to workshops, listen to guest speakers, and most importantly have fun! Gain passion to volunteer and engage in the Key Club community.

SAVE THE DATE: Fall Rally 10/18/25

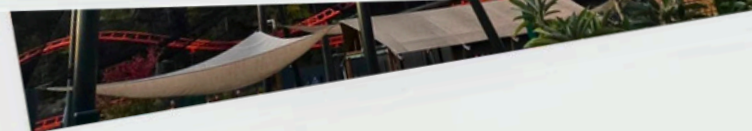

10

Fall Rally is a yearly event held at Dollywood in Tennessee, bringing together Key Clubbers from across the KT District. It's a great opportunity to meet fellow members, hear important updates from the district board, and be the first to learn the DCON theme. After the sessions, members can spend the day enjoying the park with friends—all at a special reduced ticket price. We'd love to see as many of you as possible join us this October 18th!
