Back to School!

If school hasn't started for you yet, it's soon to come! For the month of august, the priority is to grow your club and advertise to new members. It can be helpful to plan for a club rush or a school open house. Advertise on fulfilling school service hours, building a community and friends, and growing yourself through leadership roles!

Summer Board

- Covered DCON and Fall Rally Planning
- Discussed committee objectives and work
- Contacted club leaderships and Kiwanis advisors

Key information from Summer Board was sent out in an email earlier this month.

If you did not receive that email, communicate that to me immediately
