KT FEATURE

PAUL G. BLAZER HIGH SCHOOL

Congratulations to Paul G. Blazer High School for being selected for a KT Feature!

"We cleaned the entirety of our local Ronald McDonald House in Huntington, WV. When we got there, we donated 40 lbs of pop tabs. Members of Key Club and FCCLA collaborated to make food for the families staying at the House that day."

KT FEATURE: SCIENCE HILL HIGH SCHOOL

Science Hill Key Club has an initiative to connect with local elementary schools. Key Clubbers have helped with programs, school events, reading buddies, & more. Some highlights being Science Hill helping with the Southside Halloween parade and the Fairmont STEM night!

Say Congrats to this awesome club!

KT FEATURE

Dupont Manual Key Club Participated in The yearly Louisville Boo at the Zoo passing with 40 volunteers passing out candy to over 1000 kids! doing two dates a year, we find joy bringing some halloween fun during the season.

KT FEATURE

Central Magnet High School

Congratulations to Central Magnet High School for being selected for a KT Feature!

“A fundraising night in partnership with We Are Building Lives raising over \$17,000. We worked in partnership with Blackman Key Club to provide volunteers to run the night and are being presented our clubs first award/official partnership as a result.”

Great work supporting your community through your service!

KT FEATURE

“Volunteers help set up, run stations, and clean up after the event. This year, over 25 Henry Clay Key Club members volunteered, along with four members from our neighboring school’s club at Frederick Douglass High School. Despite the horrible weather, we still welcomed a total of 200 community members.”

HENRY CLAY HS

“Safe Halloween is a school-wide community event hosted by Key Club that provides a fun, safe, and family-friendly place for kids to trick-or-treat. Students set up themed rooms, activities, and candy stations throughout the school, creating a welcoming environment for families in the community. The event includes decorations, games, costumes, and plenty of candy, giving younger children a safe alternative to traditional trick-or-treating.”
