District Convention Recap

DCON was an unforgettable experience this year! It was hosted in Gatlinburg, TN, and had a great mix of informative and fun workshops, a dance party, and even a dead bear (ifkyk). I was surprised by how many new people showed up. We all took part in a really well organized service project, and I got to meet a lot of awesome people—some I still talk to today. Congratulations to the newly elected District Governor - Kyle Harper, Treasurer - Ashton Rothgerber, and Secretary - Sophia Yoon!
