ABOUT ME

Hi everyone I'm your division 7 LTG! My name is Ruby and I'm a Junior at Science Hill High School. For the past year I have served as my school's Key Club President, and I am so excited to be able to expand my role within this organization! Key Club truly means so much to me, and I am very proud of our entire division. I already have so many ideas for this next year, I can't wait to get out and get to know you all!

CONTACTS

As Lieutenant Governor of division 7, I want to promote a collaborative environment. I also want to ensure each and every member is getting the information they need for their club to thrive. In order to do these things, I need to be able to reach out to club officers and advisors. Advisors and club officers need to fill this form out ASAP so I can create my division 7 contacts. Please scan the QR code and fill out the google form with your information, thank you!

SUMMER

Summer is a great time to get out and do service in your community!

Places to Volunteer:

- Contact the Ronald McDonald House of Southern Appalachia! They will let you cook, clean, or collect goods for them!
- Create connections with your local libraries, arts centers, or elementary schools to see if they need any assistance with summer programs.
- Help a local retirement home in your area by contacting them and then visiting them/making cards!

Summer is also a good time to fundraise! Look into doing a club car wash, food chain fundraiser (like Krispy Kreme), or contact local businesses for sponsorships.

If any club needs help reaching out or finding service projects, please contact me at ruby@ktkey.org!

THANK YOU DIVISION 7!
