HOST'S OPENING:

Hello K-T!!

My name is Sophia Yoon, and I am so honored to serve as your District Secretary for the 2026-2027 service year! I'm currently a sophomore at Clarksville High School and have been a member of Key Club for 2 years. Last service year, I had the privilege of serving as Division 15's Lieutenant Governor, and I'm beyond excited to continue supporting all of you in the year ahead. Remember—you can always **COUNT ON SOPHIA!**

“It is important to draw wisdom from many different places. If we take it from only one place, it becomes rigid and stale. Understanding others ... will help you become whole.”

—Iroh, *Avatar: The Last Airbender* (Book 2, Episode 9: “Bitter Work”)

Signal Replay: DCON

DCON 2026 was such a fun and memorable experience, and I'm really grateful I got to spend the weekend with so many amazing members from across the district. Thank you all for helping recognize all the hard work that went into this service year and for making so many great memories together. I hope to see you all at DCON 2027!

Signal Replay: Spring Board

The board met in Sevierville, TN, for our Spring Board meeting, a weekend filled with lots of work, laughs, and memorable moments. I loved seeing everyone get comfortable with the K-T governing process, and I'm excited to see it all in action throughout the year.

- STATION STANDARDS -

! IMPORTANCE OF GOOD CLUB RECORDS

Good club records make a huge difference in **keeping everything running smoothly**. When records are accurate and updated, it helps ensure members get credit for their work and service, deadlines don't get missed, and clubs stay organized throughout the year. **Club Secretaries, keeping up with the membership roster ensures no problems with dues and scholarships!**

- Data Transmission - Monthly Reports

Monthly reports are **due on the 10th of each month** and are **an important part of keeping your club and the district organized and up to date**. Submitting these reports can also help your club earn recognition and awards at DCON.

To submit, go to **ktkey.org**, click on **Club Monthly Reports**, search your **school name**, and complete the form with information.
