Introduction of Myself

Hello K-T, I am Sunny Trieu and I am from division 12, Louisville KY. I attend duPont Manual high School and am a rising senior! I enjoy watching sports, sweets & savories, working out while listening to music, and volunteering!

I am attending ICON once again this year, so if you're going as well, reach out to me so we can get to know each other! :)

K-T District Project: Ronald McDonald House

Ronald McDonald House is also called "A home away from home", it provides a place for families of children receiving medical treatment temporary housing so that families can stay together.

Some way K-T can contribute towards RMDH is...

- **Collecting pop-tabs**
- **Donating directly whenever you purchase food from McDonalds**
- **Volunteer at your nearest RMDH**

Access to more information about RMDC through our K-T RMDC Handbook using the QR code!
