About Me

I am so excited to serve you as Lieutenant Governor! Next school year I will be a senior at Rhea County High School. This past school year I was Vice President of my school's club. I am as big of a band geek as they come. I am dedicated to service throughout my community and bettering the world one step at a time. I am determined to make sure this year is better than last year! Together we can work together and make our division strong in service. I am here if you ever have any questions or concerns!

At your service,

Seleana Kile
