DIVISION 9

Newsletter April 16, 2018

Introduction

Hi Division 9! I'm Tina Wu and I will be your 2018-2019 Lt. Governor! First I attend Madison Central High School in Richmond, Kentucky. I'm 16 yrs and will be turning 17 yrs this year. My birthday is April 22nd -it's also Earth day! I've been in Key Club since Freshman year and had become a board member, club president, and now an Lt. Key Club holds a very special part in my heart, for each individual, I believe we have a different story of how key club has impacted us. It has helped shaped a part of who I am and given me the confidence and voice a catalyst needs. Okay enough about me- TELL me about You and how key club has influenced you at tina@ktkey.org! I'm excited and ready to extend my Key family; I look forward to working with everyone. Let me know if I can help at all.

District Convention

District Convention was held this year in eccentric Lexington, Kentucky. This year part of Virginia has joined our K-T family including our Georgia family as well. Every year we have a theme, this year was "Service out of this world." The best part of convention is for sure the talent show, our huge service project, and our dance. At the talent show one male played his ukulele while another girl performed a show stopping flag act. DCON is a great way to interact with key clubbers all around our region and create lasting memories with our Kiwanis sponsors! Our mascot Jodi always makes an appearance as well. I don't recall seeing many Division 9 members there so I highly encourage y'all to come next year to Franklin, Tennessee. They truly are so much fun and a great extension of our club.

Division Meeting

The first division meeting will be ordered soon. It will most likely be on a weekend in noon in May. I ask to see the advisor from each club and with them the 2018-2019 club president to go over this year's agenda. All I ask for this month is for the **advisor** and 2018-2019 **president** to give me their **contact information** and club schedule by **April 30th** to use throughout this year. Can't wait to meet y'all!

International Convention

ICON is held in the Windy city this year from July 2-8! I will be attending and hope to see y'all there. We will be visiting sites such as the iconic Bean, Navy Pier, and Grant Park. Come join and eat a classic Chicago deep dish pizza! International convention will show just how much of an impact we make in the world and our global connection. Please feel free to contact me for more information.
