## 1-PARTING WAYS- FOR NOW!

As the end of the comes to a wrap that does not mean that there is not still service to be done. I encourage everyone to get out and volunteer this summer, consider stopping by a close by Ronald McDonald house. Ask around for gardening for places, or any clean ups taking place nearby. Seniors should start looking into joining Circle K (college level key club). Officers and advisors should also start thinking about goals and changes for next year/planning.

## 4-DIVISIONAL MEETING!

Our first divisional council meeting was held on May 11th at the L&N STEM Academy. I would like to thank the schools Alcoa High Schools, Bearden High School, Fulton High School, and the L&N STEM Academy for having members and officers at this meeting. I am so excited to be working with you guys and every school the next year. Other than just getting to know each other, we went over a few things at this meeting: Clubs (how each club is doing and how they are finishing the year off), the district project (Ronald McDonald house), Trick or treat for UNICEF, upcoming dates, ICON, DCON, and our district drive (Gift bag drive for children in foster care). I will be sending out more emails with the information we went over for the people who could not attend.
