
Division 14

June Newsletter

Greetings from division 14! This is the monthly newsletter for June, and everyone please have a look!

International Convention

International convention has been a hot topic for a while and it's just right around the corner! The majority of the KT District Board will be attending ICON and I hope that some of you from division 14 will be there as well! ICON is a fun event to go to, and you'll definitely have a blast there! There will be plenty of food to eat, places to visit, and people to hang around. For those of you that still doesn't know, ICON is where the students and advisors from all over the world comes together annually and learn about KEY club as an international organization.

Youth Opportunities Fund

Youth Opportunities Fund is something that clubs can look into if they are in need of funds for a service project. The Key club and/or club members can just send in an application asking for fund (ktkey.org).

July 1: ICON payments due

July 2-8: International Convention

Sept-Oct: Division Officer Training Meetings

October 20: Fall Rally

Key Clubs! Once again, I'll put my contact information down and please send me your club information if you haven't yet!
